MAKE YOUR BRAND SHINE

Detpak offer over 1,000 paper and board packaging solutions including Cups & Cup Accessories, Cartons, Bags, Napkins, Trays and Wraps.

Our world-class design and printing service has earned us a reputation as a provider of high quality, custom printed packaging solutions. All of our products can be customised to bring your brand to life and our team of graphic designers can help create a unique, stand-out design for your packaging suite.

The biggest brands around the world choose us for their branded packaging. We make our comprehensive range customisable to help you make your brand shine.

DID YOU KNOW?

Detpak can design your artwork for you using your logo and idea of what you would like to achieve, or we can provide you with a template which your graphic designer can place artwork into. Either way, we are here to help make your brand shine.

SUSTAINING OUR COMMUNITY

At Detpak, our approach to the environment is all encompassing. We are a company with an industry leading position in sustainable packaging.

We champion Recycling as the ultimate environmental solution for single-use packaging, innovating to enable our products to live again as part of a circular economy. Moving to a circular economy is about designing out waste and keeping resources at their highest value for as long as possible. Transitioning to a circular economy is a vital element in rethinking economic progress to sustain our planet for the future.

And our impact goes further than the products we manufacture. As a family-owned company, we choose to positively impact our local communities all around the world, from our headquarters in Adelaide, to supporting initiatives in the countries where we operate all over the world.

DID YOU KNOW?

Many of our charitable initiatives focus on improving our communities for a sustainable future. Some of our recent initiatives have included donating packaging to Dubai based food and events platform INKED, who donated over 8,000 meals to healthcare workers and people in need in Abu Dhabi and Dubai.

A SUSTAINABILITY GUIDE TO OUR MATERIALS

Use this chart to better understand the packaging materials we use in our products. Materials are classed as whether they are recyclable, commercially compostable or made from sustainably sourced materials.

DID YOU KNOW?

Detpak Market Trays are made of unlined Kraft board, so they are recyclable and commercially compostable. Switching from a plastic or foam tray can dramatically reduce the amount of single use plastic used in produce packaging.

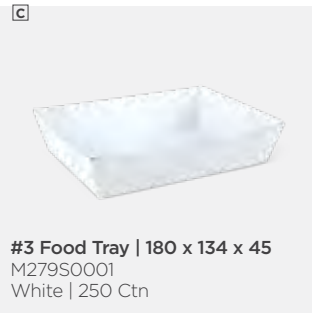

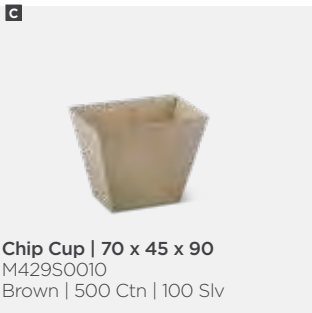

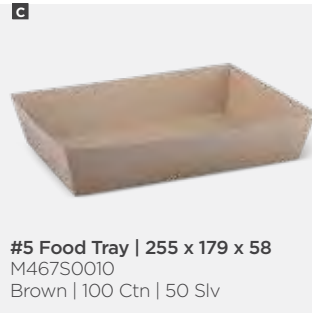

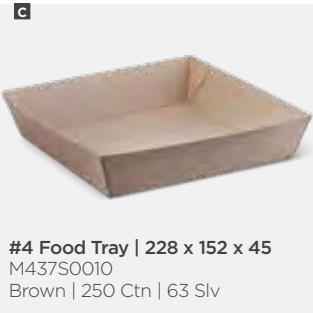

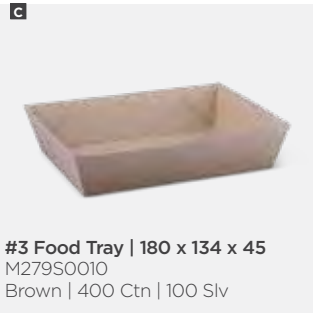

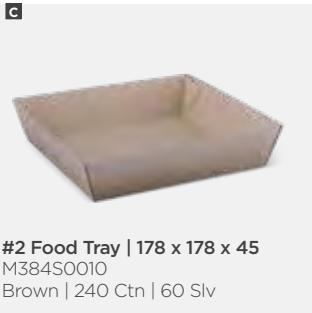

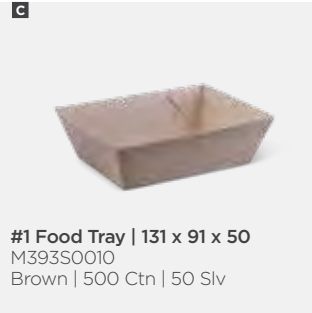

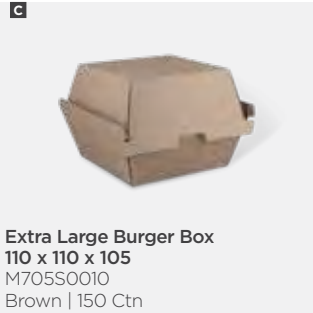

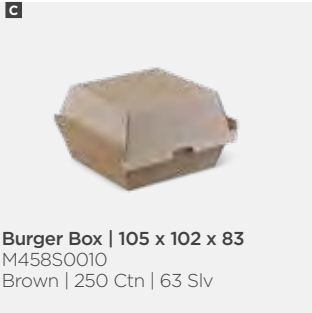

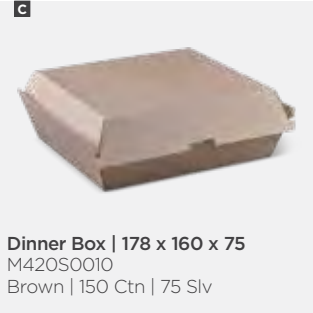

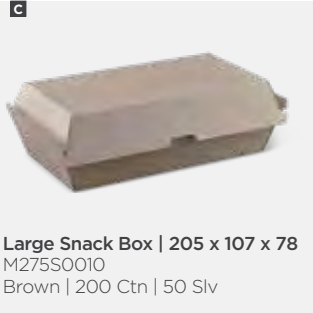

Clams

Clams are made from single-side coated board, and include vent holes, to ensure food won't get soggy. They're pre-formed, saving time in-store. They can be easily branded with stickers.

Endura Range

The Endura Range is made with a sturdy, fluted board, making it ideal for hot and greasy foods such as nachos, wedges, chicken, salads and dumplings. The snack, burger, hot dog and dinner boxes are perforated so can be easily separated into two and all boxes feature vent holes to keep food crispy.

Food Pails

Food Pails are perfect for a variety of hot and cold foods. They're poly-lined, so can handle saucy foods like noodles and pasta, and salads with dressing. Pails are free-standing for quick and easy filling. The white sides can easily be branded with stickers.

Wire Handle Food Pails

Wire Handle Food Pails are perfect for a variety of hot and cold foods. They're poly-lined, so can handle saucy foods like noodles and pasta, and salads with dressing. Pails are free-standing for quick and easy filling. Wire handles means you can carry the pail without a bag.

DID YOU KNOW?
The Endura Range is 100% compostable making it a great choice for the environment.

Window Lunch Boxes

Window Lunch Boxes are ideal for foods like noodles, pasta, salad, and sushi. The window on top provides premium visibility and they feature a hinged lid for quick filling and easy access. They are preformed, for easy in-store use.

DID YOU KNOW?

Most of Detpak's products can be customized to strengthen your brand, and help you stand out from the crowd.

Stack-Paks

Stack-Paks are ideal for serving takeaway foods or for 'grab-n-go' meals. They can be used for hot and cold foods, and can be stacked up on display in-store with the Stack-Pak Lid. The lid is made of PET and is recyclable.

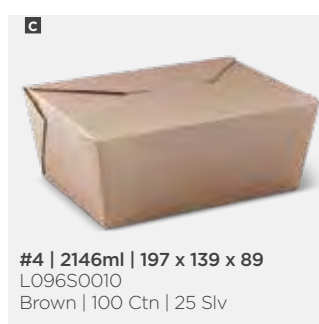

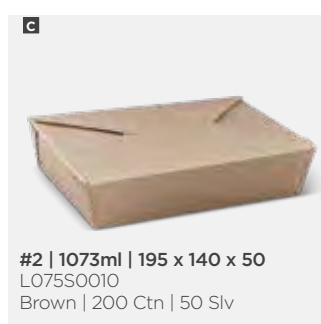

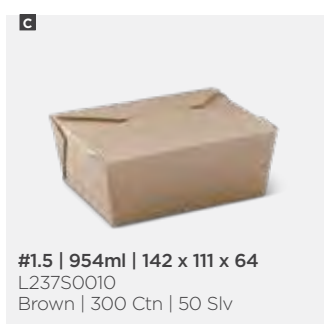

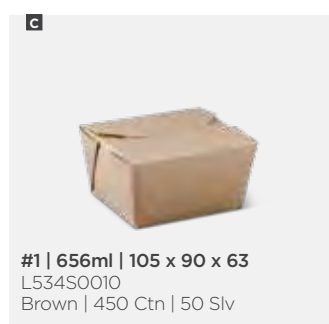

Takeaway Boxes

Takeaway Boxes are made from light-weight brown board and are a better environmental choice than plastic containers. The boxes have webbed corners and are poly-lined, making them suitable for saucy takeaway foods.

Pail-Paks™

Pail-Paks™ are poly-lined, for an excellent moisture and grease barrier, and are ideal for meals like pasta, curries, noodles, rice, and salad. They have a low profile for easy loading and access to the food. They are pre-formed with a built-in lid.

I am eco™ Sandwich Wedges

I am eco™ Sandwich Wedges are an all-in-one solution, so are easy to load from the base, and feature a window for display of ingredients. They have a bio-lining and window (PLA).

I am eco™ Paper Bowls

I am eco™ Paper Bowls are great for salads, fruit salads, yoghurt and soup. The bowls are made from a paperboard with a commercially compostable Polylactic Acid (PLA) bio lining.

Ice Cream Bowls

Ice Cream Bowls are freezer safe, and are also perfect for yoghurt, fruit salad and desserts. The 12-24oz sizes can be matched with lids.

Savoury Bowls

Savoury Bowls have a poly-lining on the inside, so are a versatile choice for serving hot and cold foods. They are perfect for soups, pasta, noodles, rice, salads, and yoghurt. They can be matched with a one-lid-fit solution in dome or flat styles.

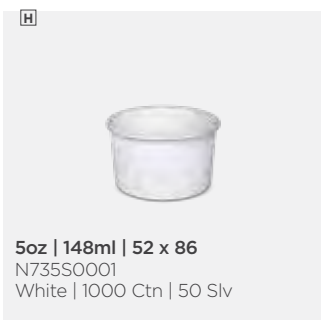

DID YOU KNOW?

We can customise any of our products to bring your brand to life. Our design team is here to help you create a look that will make your brand shine.

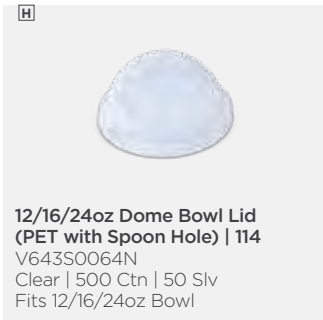

White Bowls

White Bowls are poly-lined on the inside and out, so are a versatile choice for serving hot, cold and frozen foods. They're perfect for serving soups, pasta, noodles, rice, salads, and yoghurt. The 12-24oz sizes can be matched with a one-lid-fit solution.

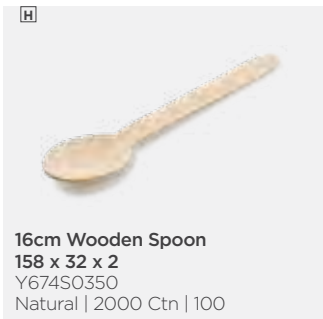

Ice Cream & Savoury Bowl Lids

Match the Ice Cream, Savoury and White Bowls with quality lids. The Dome lid features a generous spoon hole whilst the Flat lid features a steam hole for hot soups and meals.

Wooden Cutlery

The Wooden Cutlery Range is made from 100% sustainably sourced Birchwood and has a premium, smooth surface. The Cutlery Pack contains a generous napkin, wooden fork and knife coated in non-toxic, plant-based Carnuba Wax, all sealed inside a recyclable paper bag.

DID YOU KNOW?

Carnauba Wax, used to coat the cutlery in our wooden cutlery pack, is derived from the leaves of the 'Copernicia prunifera', a tree native to the Brazilian regions of Piauí, Ceará, Maranhão, Bahia, and Rio Grande do Norte. The use of this wax creates a smooth, premium surface and means the cutlery can be commercially composted.
